

# Send a Kid to Camp!

## ***Our Camp...***

is an exciting and educational experience. Campers participate in diverse activities, which develop skills, character and positive friendships. We go well beyond basketball and barbecues. We include recreational, social, creative and educational activities in every fun-filled day. Our staff of caring counsellors work tirelessly to ensure that each child is safe, encouraged to explore and recognized for their particular strengths.

## ***Your Support...***

is for wonderful and spirited individuals who come from diverse communities. Many come from low income, single parent families. They live in communities like Moss Park, Regent Park, St. James Town and others. Without full subsidies they would be left without structured, fun or meaningful activities for the entire summer.
